Describe a challenge on your campus that you helped organize or facilitate a solution?

Describe a personal objective you have for the interfraternal community on your campus and how you plan to achieve that goal?

Describe a lasting impact that you have made or hope to make in your community or campus through your sorority/fraternity involvement before you graduate?

*The Panhellenic Creed: We, as fraternity women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. Select one aspect of the National Panhellenic Conference insignia and describe an aspect of your personal development as it relates to collegiate life.

*Insignia: The **shield** is a protective influence for our entire membership. A **lamp** denotes leadership, scholarship and enlightenment. The **laurel wreath** signifies victory, or achievement of ideals, while the **sword** piercing the wreath indicates willingness to fight for ideals; symbolizing, too, penalty of obligation; also bravery, achievement and discipline. The **mantling** surrounding the shield is the protecting cloak that education gives us, and a protective influence of organization.*
